

List of Thesis: available (MS/PhD) thesis in BRR Library (updated 06-04-2015)

Accession No.	Author	Title	Type	Date
007406	ABEDIN, Joyal	Input demand and output supply elasticities for rice in Thakurgaon, Bangladesh.	Thesis MS	1985
014500	ABEDIN, Md. Joinal	Arsenic uptake, metabolism, and toxicity in paddy rice (<i>Oryza Sativa</i> L.)	Thesis PhD	2002
011641	ABEDIN, Md. Joinal	Effects of rate and method of boron application on grain set, yield and nutrient content of wheat.	Thesis MS	1993
014982	ADITYA, Tamal Lata	In vitro and Ex vitro selection of NaCl tolerant lines from indica rice genotypes (<i>Oryza Sativa</i> L.).	Thesis PhD	2002
016079	AFSANA, Nadira	Abundance and role of lady bird beetle, micraspis discolor (Fabricius) (Coleoptera; coccinellidae) in irrigated rice environment.	Thesis MS	2000
014707	AGUA, Marius Mendoza	Predicting peak rates of runoff and soil loss from a watershed.	Thesis PhD	1997
009193	AHMED, Akhter	Design, development and testing of a fluidised bed insect detector for grain samples.	Thesis MS	1986
006482	AHMED, Akkas Uddin	Agro-economic evaluation of selected rain fed lowland rice cultivation practices in the Cagayan Province, Philippines.	Thesis MS	1983
017558	AHMED, Gazi Jashim Uddin	Weed management in direct-seeded Aus rice grown under different agro environmental conditions.	Thesis PhD	1994
011482	AHMED, Hafiz Uddin	Pathogenic variability and adaptation of septoria tritici to different wheat cultivars.	Thesis PhD	1993
015108	AHMED, Helal Uddin	Mapping stress tolerance genetic loci in arabidopsis thaliana.	Thesis PhD	2002
002622	AHMED, Md. Sayed	Studies on the over wintering of rice stem borers and their population on boro rice plant.	Thesis MS	1976
005794	AHMED, Md. Sayed.	Evaluation of rat control techniques in experimental fields of the IRRI.	Thesis MS	1981
010036	AHMED, Md. Sayed	Development of a toxicant delivery system utilizing rodent grooming behavior.	Thesis PhD	1991
010531	AHMED, Mukhlesur Rahman	Influence of water deficit on water relations, growth and yield of dry seeded rice.	Thesis PhD	1992
008892	AHMED, Nizam Uddin	Agronomic management and comparative performance of short duration post -rainy season pigeon pea in rice-based cropping patterns.	Thesis PhD	1987
006510	AHMED, Nizam Uddin	Weeds in cropping systems as affected by hydrology and weeding regime with emphasis on dry-seeded rice.	Thesis MS	1979
006061	AHMED, Nizam Uddin	Weeds in cropping systems as affected by hydrology and weeding regime with emphasis on dry-seeded rice.	Thesis MS	1979
003958	AHMED, Nizam Uddin	Weeds in cropping systems as affected by hydrology and weeding regime with emphasis on dry-seeded rice.	Thesis MS	1979
001684	AHMED, Nizam Uddin	Glutamic acid decarboxylase activity as an index to predict viability and vigour of rice and jute seeds.	Thesis MS	1973
017692	AHMED, NUR	Pesticide use in periurban areas; farmers' and neighbors' perceptions and attitudes, and agricultural field influences on pests in nearby garden plants.	Thesis PhD	2012
017691	AHMED, NUR	Pesticide use in periurban areas; farmers' and neighbors' perceptions and attitudes, and agricultural field influences on pests in nearby garden plants.	Thesis PhD	2012

List of Thesis: available (MS/PhD) thesis in BRR Library (updated 06-04-2015)

Accession No.	Author	Title	Type	Date
011899	AHSAN, Kamrul	Growth, yield and nitrogen nutrition of modern and local varieties of rice as affected by nitrogen rates and land type.	Thesis MS	1995
005616	AHSANULLAH, A. B. M	Study of resting energy expenditure and energy balance in some working classes of Bangalee population by indirect calorimetry and actual weighing of dietary articles. The Faculty of postgraduate medical science & research university of Dhaka.	Thesis MS	1974
016494	AKANDA, Mohammad Aminul.	Evaluation of fertilizer supply, marketing system and utilization at farm level in Boro season.	Thesis MS	2000
011887	AKANDA, Shamsul I	Interrelationship of wheat cultivar mixtures, stripe rust and yield.	Thesis PhD	1995
017862	AKHTER, Masuda	Control of Iron and Manganese availability on nitrogen mineralization in subtropical paddy soils.	Thesis MS	2013
016505	AKON, Md. Zia Uddin	An economic analysis of milch cow rearing and beef fattening programmers of Bangladesh Rural advancement committee.	Thesis MS	1998
015486	AKTER, Khaleda	Combining ability analysis for new plant type (NPT) traits in rice (<i>Oryza Sativa</i> L.)	Thesis MS	2004
017019	ALAM, M. Shahe	Factors affecting yield gap and efficiency in rice production in some selected areas of Bangladesh by M. Shahe Alam.	Thesis PhD	2006
016073	ALAM, Md. Mahbubul	Potentiality of groundwater utilization for agriculture in Sonagazi Upazila of Fein district,	Thesis MS	
014690	ALAM, Md. Mahmudul	Farm level status of HYV rice in a selected Union of Gazipur district.	Thesis MS	1998
008763	ALAM, Md. Shahe	Factors affecting production and marketable surplus of rice in Barisal dist. Bangladesh.	Thesis MS	1985
014380	ALAM, Md. Zahidul	The effects of salinity of germination, growth and mineral composition of modern rice cultivars.	Thesis PhD	2001
012629	ALAM, Md. Zahidul	Crop performance and weed infestation in wheat as affected by intercropping and weeding regime,	Thesis MS	1993
005683	ALAM, Mohammad Shamsul	Resistance to biotype 3 of the brown planthopper <i>Nilaparvata Lugens</i> (Stal) in rice varieties.	Thesis PhD	1978
016034	ALAM, Mohammad Shamsul	Resistance to biotype 3 of the brown planthopper <i>Nilaparvata Lugens</i> (Stal) in rice varieties.	Thesis PhD	1978
004687	ALAM, Mohammad Shamsul	Resistance to biotype 3 of the brown planthopper <i>Nilaparvata Lugens</i> (Stal) in rice varieties.	Thesis PhD	1978
009484	ALAM, Muhammed Murshedul	Stability and comparative nitrogen contribution of pre-rice legumes: grain legume Vs. green manure.	Thesis MS	1989
000897	ALAM, Shamsul	Population dynamics of the common leafhopper and planthopper pests of rice.	Thesis PhD	1971
015569	ALI, Md. Akkas	Productivity and resource use efficiency of rice as affected by crop establishment and nitrogen management.	Thesis PhD	2005
007625	ALI, Md. Akkas	Effect of N.P. and methods of split urea application on the yield of rice and concentration of NH ₄ - and NO ₃ -N in soils under water logging condition. Mymensingh.	Thesis MS	1975
017863	ALI, Md. Gous	The effect of low temperature and seed quality on the germination of fifteen rice (<i>Oryza Sativa</i> L.) cultivars from Bangladesh.	Thesis PhD	2001
009685	ALI, Md. Gous	Planting methods and nitrogen effects on performance and nitrogen uptake of lowland rice.	Thesis MS	1989

List of Thesis: available (MS/PhD) thesis in BRR Library (updated 06-04-2015)

Accession No.	Author	Title	Type	Date
009159	ALI, Md. Hazrat	Chlormequat application to winter oat crops. Department of Agriculture and Horticulture.	Thesis MS	1987
008012	ALI, Md. Liakat	Comparative performance of four types of testers for evaluating corn inbred lines from two populations.	Thesis MS	1986
008878	ALI, Md. Liakat	Comparative performance of four types of testers for evaluating corn inbred lines from two populations.	Thesis MS	1986
008879	ALI, Md. Liakat	Comparative performance of four types of testers for evaluating corn inbred lines from two populations. .	Thesis MS	1986
008880	ALI, Md. Liakat	Comparative performance of four types of testers for evaluating corn inbred lines from two populations.	Thesis MS	1986
012722	ALI, Md. Liakat	Mapping quantitative trait loci for root traits related to drought resistance in rice (<i>Oryza sativa</i> L.) using aflp markers.	Thesis PhD	1999
017973	ALI, Mohammed Shamsher	Molecular analysis of plant acclimation to abiotic stresses.	Thesis PhD	2002
007633	AMANULLAH, Md	A study on the megasporogenesis and fruit development of groundnut (<i>Arachis Hypogaea</i> Linn).	Thesis MS	1966
008691	AMIN, Md. Ruhul	Studies on breaking seed dormancy in <i>Sesbania Rostrata</i> (Brem. And Oberm).	Thesis MS	1987
016796	ANSARI, Afsana	Variability of floral traits in component lines of hybrid rice.	Thesis MS	2009
015482	ANSARI, Tahmid Hossain	Studies on sink size formation in the rice cultivars belonging to different ecospecies.	Thesis PhD	2004
015481	ANSARI, Tahmid Hossain	Characteristics of Spikelet differentiation and degeneration among rice cultivars belong to different ecospecies.	Thesis MS	2001
003302	ARIF-UL-ALAM, Md	Some studies on the biotechnology of rice borers and green rice leafhoppers as affected by several common rice varieties and diazinon 10G.	Thesis MS	1977
010533	ARORA, Mohan P	Genetics.	Thesis PhD	1989
014722	AWAL, Md. Abdul	Analysis of problems in deep tube well irrigation of Boro rice in Kalia and Dhamshar Union of Daulatpur thana under Manikganj district.	Thesis MS	1994
005704	AZIZ, Taufiqul	Effects of differently applied rice straw and neem cake on nitrogen transformation in flooded soil.	Thesis MS	1981
012099	AZMAL, Abul Kalam Mohammed.	Effect of tropical plant residues on the nutrient metabolism through soil microbial biomass;	Thesis PhD	
017964	BADSHA, Md. Adil	Effects of long term crop cultivation techniques on sustainable production of super rice under rice-rape cropping system.	Thesis PhD	2013
015491	BADSHAH, Md. Adil	Effect of different levels of nitrogen on new plant type of inbred rice.	Thesis MS	2004
001279	BAILEY, Norman T.J.	Statistical methods in biology.	Thesis PhD	1959
017444	BAKTIAR, Md. Humayun Kabir	Morphological characterization of local Aus rice germplasm.	Thesis MS	2011
012215	BANIK, Mitali	Structure, hormonal regulation and chromosomal location of genes encoding barley (1-4)-B-xylan endohydrolases.	Thesis PhD	1996
004930	BANTA, Gordon Roy	Asian cropping systems research; micro-economic evaluation procedures.	Thesis PhD	1980
