-  [More information](#)

- If you arrived at this page by clicking a link, check the website address in the address bar to be sure that it is the address you were expecting.
- When going to a website with an address such as <https://example.com>, try adding the 'www' to the address, <https://www.example.com>.

For more information, see "Certificate Errors" in Internet Explorer Help.

Continue to the website (not recommended) এ click করুন ।

Google Chrome Browser এর জন্য :

The site's security certificate is not trusted!

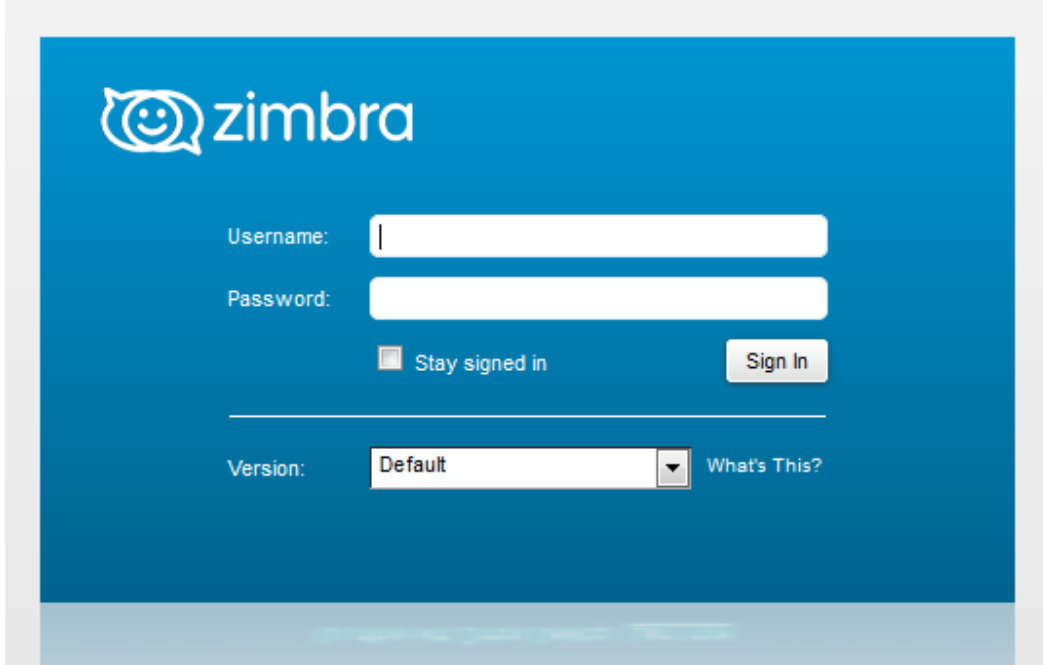

You attempted to reach zimbra.bcc.gov.bd, but the server presented a certificate issued by an entity that is not trusted by your computer's operating system. This may mean that the server has generated its own security credentials, which Chrome cannot rely on for identity information, or an attacker may be trying to intercept your communications.

You should not proceed, **especially** if you have never seen this warning before for this site.

The screenshot shows a web browser window titled "Change password - Mozilla Firefox" with the URL "https://zimbra.bcc.gov.bd/h/changepass". The page features the Zimbra logo at the top. Below the logo, there is a yellow information box with a blue 'i' icon and the text "Please enter a new password and re-enter it in the confirmation field." Underneath, there are three input fields: "Old Password:" with a masked password of seven dots, "New password:" with a masked password of seven dots, and "Confirm:" with a masked password of seven dots and a cursor. A "Change password" button is located at the bottom right of the form area.

Change password এ click করুন। আপনার password change হয়ে যাবে এবং password সংরক্ষণ করুন।
