

CURRICULA VITAE

Name: Muhammad Nasim

Father's name: Late Abu Muhammad Shamsuddin

Gender: Male

Address: Principal Scientific Officer and Head, Rice Farming Systems Division,
Bangladesh Rice Research Institute, Gazipur, Bangladesh

Date of birth: 01-09-1963

Nationality: Bangladeshi

Academic qualifications:

Degree	Division/class	Year of passing	Name of institution
Ph.D. in Crop Science	-	2003	University of Aberdeen, UK
M.Sc. (Ag.) in Genetics and Plant Breeding	1 st Class	1986	Bangladesh Agricultural University, Mymensingh
B.Sc.Ag. (Hons.)	2 nd Class	1984	Bangladesh Agricultural University, Mymensingh
Higher Secondary Certificate	1 st Division	1980	Ananda Mohan College, Mymensingh
Secondary School Certificate	1st Division	1978	Mymensingh Zilla School, Mymensingh

Theses:

- M.Sc. (Ag.) in Genetics and Plant Breeding: Combining ability and heterosis in *Brassica campestris* L.
- Ph.D. in Crop Science: Response of rice plants to plant growth regulators under saline conditions.

Position held:

- Principal Scientific Officer, Rice Farming Systems Division, Bangladesh Rice Research Institute. 27 March 2011 to date.
- Senior Scientific Officer, Rice Farming Systems Division, Bangladesh Rice Research Institute. 11 April 1999 to 26 March 2011.
- Scientific Officer, Rice Farming Systems Division, Bangladesh Rice Research Institute. 20 November 1988 to 10 April 1999.

Training received:

Training Course	Duration & Year	Institute	Country
1. Survey and Sampling Techniques	03 weeks, 1989	BARI-BARC	Bangladesh
2. Research Planning and Evaluation	02 weeks, 1989	BIRRI-BARC	Bangladesh
3. Rice-Fish Farming Systems	03 weeks, 1990	IRRI-CLSU	Philippines
4. Integrated Pest Management	01 week, 1991	BJRI, BARC	Bangladesh
5. Training and Technology Transfer	12 weeks, 1989	IRRI	Philippines
6. Rice Production Training Course	13 weeks, 1992	BIRRI	Bangladesh
7. Experimental Design and Statistical Analysis Course	02 weeks, 1994	BIRRI-IRRI	Bangladesh
8. Gender Analysis and its Application in Agriculture	01 week, 1995	BARD-BARC	Bangladesh
9. Problem-Based Technology Generation for Rainfed Lowland Rice Environment	02 weeks, 1997	BIRRI-IRRI	Bangladesh
10. Development Communication in Agriculture	01 week, 2007	AIS	Bangladesh
11. Response of rice plant to plant growth regulators and selenium under saline condition	5 months, 2013-14	BARC-UPM	Malaysia
