

Curriculum Vitae of **DR. MOHAMMAD ASHIK IQBAL KHAN**,
Senior Scientific Officer,
Bangladesh Rice Research Institute (BRRI),
Gazipur-1701, Bangladesh

1.	Name	:	DR. MOHAMMAD ASHIK IQBAL KHAN
2.	Father's name	:	Late Mohammad Nurul Islam Khan
3.	Mother's name	:	Late Sherin Begum
4.	Husband's name (if applicable)	:	N/A
5.	Gender	:	Male
6.	Mailing Address	:	Senior Scientific Officer, Plant Pathology Division, BRRI, Gazipur-1701, Bangladesh
7.	Permanent Address	:	Village: Keshabpur, P/O: Keshabpur, Upazilla: Keshabpur, District: Jessore, Country: Bangladesh
8.			Phone: 0088 02 9257401-5 extn. 541 (office) 0088 02 9257401-5 extn. 322 (residence) Fax: 0088 02 9261110 Cell: 0088 01711 146324 E-mail: ashikjp@gmail.com ashik.path@brii.gov.bd
9.	Date of birth	:	30-01-1972
10.	Age	:	43 years
11.	Educational qualification	:	

Degree/ Diploma/ Certificate	Class/ Grade/ Division	University/ Institute/ Board	Year
Secondary School Certificate	First	Jessore	1986
Higher Secondary Certificate	Second	Jessore	1988
Bachelor of Science in Agriculture	First (10 th position)	BAU	1992
M. S. in Plant Pathology	First (1 th position)	BAU	1998
Master in Agriculture	A (>80%)	Saga University, Japan	2006
Ph.D	Successfully completed	Kagoshima University, Japan	2009
Post-Doctoral Course	On going (Nov. 2014 to Oct. 2016)	Host institute at JIRCAS and funded by Japan Govt. (JSPS)	2015

11. Field of Specialization: Rice Disease Resistance and Management, and Sustainable Agriculture

12. Research interest:

Population Genetics of Rice Pathogen, Disease Resistance and Molecular Studies, Disease Resistant Novel QTL/Gene Identification, Genetic Studies of Disease Defense Mechanism, Development of Biotic and Abiotic Stress Tolerant Rice Variety through Marker Assisted Selection (MAS), Varietal improvement for tidal non-saline sub eco-system.

13. Awarded

1. Awarded ARMP (BRI part) scholarship on Farming System Research Training at UPLB, Philippines
2. Awarded IRRI (Philippines) scholarship on IPM Training at IRRI, Philippines
3. Awarded Japan Government (MONBUKAGAKSHO) scholarship on MS leading PhD course at Japan
4. Awarded invitation to present a paper in Planet under Pressure Conference 2012 through the Environmental Change Institute at the University of Oxford, United Kingdom.
5. Awarded Japan Government Post Doctoral Fellowship (JAPAN SOCIETY FOR THE PROMOTION OF SCIENCE, JSPS) from Nov. 1, 2014 to 31 Oct. 2016 at JIRCAS, Ishigaki, Okinawa, Japan.
6. Best Scientist Award at Bangladesh Rice Research Institute (BRI) for the year of 2014.

14. Training:

(a) In Country:

Organization	Year	Duration		Name of programme
		Mos.	Days	
BAU	1995	0	5	Field Training on Upazila (Small Unit of Agricultural Extension) System
BRI	1998	2	0	Rice production, Communication and Office management
AIS	2001	0	2	Technique of Agricultural Technology Transfer through Mass Media
BARD	2001	3	15	Foundation training course for NARS scientists
BRI	2001	0	5	Breeder Seed Production
BRI	2012	0	7	Theory and Practice of Molecular Breeding in Rice
BRI	2013	0	8	Gene Cloning and Rice Transformation
KGF	2013	0	6	Research Proposal Preparation and Scientific Report Writing
BRI	2013	0	6	Genetic data analysis software
BARI	2014	0	6	On-farm Research Methodology

(b) Abroad:

Country	Year	Duration		Name of programme
		Mos.	Days	
UPLB, Philippines	2001	2	0	Training course on Farming Systems Research and Development
IRRI, Philippines	2003	0	21	Training Course on Integrated Pest Management (IPM)
Saga University, Japan	2003	6	0	Intensive Japanese Language Programme
Japan International Research Center for Agricultural Sciences (JIRCAS)	2013	5	0	Development of a Differential System for Rice Blast Resistance in Bangladesh

15. Experience:

Position	Period		
	From	To	Total Yr/Month
Scientific Officer	14-10-1998	17-12-2007	9 Yrs & 2 months
Senior Scientific Officer	18-12-2007	To date	7Yrs & 2 months

16. Scientific Publications**(a) Journal Papers:***(i) Paper Published in the Reputed International Journal*

Sl. No	Author (s), Year of publication, Title, Journal name, Volume &/or Issue no. and Page number of the scientific papers	Publisher	Impact factor
<i>As Principal author</i>			
1	Khan, M.A.I. , Ueno, K., Horimoto, S., Komai, F., Tanaka, K. and Ono, Y. 2007. Evaluation of the physio-chemical and microbial properties of green tea waste – rice bran compost and the effect of the compost on spinach growth. <i>Plant Production Science</i> 10 (4): 391-399.	Crop Science Society of Japan	0.92
2	Khan, M.A.I. , Ueno, K., Horimoto, S., Komai, F., Tanaka, K. and Ono, Y. 2009. Physicochemical, including spectroscopic, and biological analyses during composting of green tea waste and rice bran. <i>Biology and Fertility of Soils</i> 45 : 305-313.	Springer	3.396
3	Khan, M.A.I. , Ueno, K., Horimoto, S., Komai, F., Someya, T., Inoue, K., Tanaka, K. and Ono, Y. 2009. CIELAB color variables as indicators of compost stability. <i>Waste Management</i> 29: 2969-2975.	Elsevier	3.496
4	Khan, M.A.I. , Partha Pratim Sen, Rejwan Bhuiyan, Enamul Kabir, Abul Kashem Chowdhury, Yoshimichi Fukuta, AnsarAli and Mohammad Abdul Latif. 2014. Phenotypic screening and molecular analysis of blast resistance in fragrant rice for marker assisted selection. <i>C.R.Biologies</i> 337: 318–324.	Elsevier	1.91

17. Special experience in project based research activities

SL No.	Name of the project and period	Responsibilities
1	Validation and Delivery of New Technologies for Increasing the Productivity of Flood prone Rice Lands of Bangladesh (Barisal part) funded by IFAD from 1999-2003	Worked as a Working Scientist and responsible person for Barisal region
2	Post flood rehabilitation and adaptive research at Barisal region funded by BARC, Dhaka from 2001-2002	Worked as a Working Scientist
3	Poverty Elimination Through Rice Research Assistance (PETRA) funded by DFID, UK from 2000-2003	Worked as a Working Scientist
4	Pyramiding bacterial blight resistant genes into the genetic background of BR11-derived submergence tolerant rice lines funded by NATP, BARC from 2009-2013	Working a Co-Principal Investigator and responsible person of Pathology part

5	Blast Research Network Project funded by JIRCAS, Japan from 2009-2015	Working as a Working Scientist
6	Climate Change Impacts, Vulnerability and Adaptation: Sustaining Rice Production in Bangladesh funded by Norway from 2011-2014	Working as a Working Scientist
7	Integrated Agricultural Productivity Project (IAPP)-BRRI part funded by World Bank from 2011-2016	Working as a Core Scientist
8	Mujibnagar Agricultural Development Project (BRRI part) funded by Ministry of Agriculture from 2011-2016	Working as a Principal Investigator of Pathological experiments
9	Dissemination of Rice Crop Manager (RCM) through DAE and Union Information Center	Working as a Working Scientist
10	Study for co-differentiation of blast races and resistance genes in rice	As Japan Govt. Post Doc. Fellow (JSPS) from 2014-2016

18. Teaching experience in National/International Universities

SL No.	Title of the job and duration	Concern University/Institute
1	Teaching Assistant for the teaching of graduate and under graduate student of Agricultural Sciences from April 2004 to March 2009.	Faculty of Agriculture, Saga University, Japan
2	Master Trainer of Extension Personnel on Plant Diseases Management Course from 1998 to till now	DAE, BADC, BRRI and different NGOs
3	Guest Lecturer of Non-formal Agricultural Education from April 2004 to March 2009.	ABANSE, Saga shi, Japan
4	Lecturer of Japanese language course from April 2004 to March 2009.	ABANSE, Saga shi, Japan

19. Experience as research supervisor of MS/PhD student of different universities

SL No	Research title	Concern University	Year of passing	Registration number	Degree
1	IDENTIFICATION OF STRAINS OF <i>XANTHOMONAS ORYZAE</i> PV. <i>ORYZAE</i> CAUSING BACTERIAL LEAF BLIGHT OF RICE IN BANGLADESH AND SCREENING OF SOME EXOTIC RICE GENOTYPES AGAINST THE PATHOGEN	Bangabandhu Sheikh Mujibur Rahman Agricultural University, Gazipur	Summer 2011	2009-08-2356	MS
2	SCREENING OF RESISTANT SOURCES OF RICE AGAINST <i>Xanthomonas oryzae</i> pv. <i>oryzae</i>	Bangladesh Agricultural University, Mymensingh	July-December, 2011	32051/2005-06	MS
3	EVALUATION OF CHEMICALS AGAINST BACTERIAL BLIGHT OF RICE CAUSED BY <i>XANTHOMONAS ORYZAE</i> PV. <i>ORYZAE</i> IN BANGLADESH	Bangladesh Agricultural University, Mymensingh	July-December, 2011	32186/2005-06	MS

4	FIELD EVALUATION OF BRRI BORO RICE VARIETIES FOR BACTERIAL BLIGHT AND SHEATH BLIGHT DISEASES	Bangladesh Agricultural University, Mymensingh	July-December, 2013	38319/2007-08	MS
5	CONFIRMATION OF BLAST RESISTANT SOURCES FROM THE AROMATIC RICE GERMPLEASMS IN BANGLADESH	Patuakhali Science and Technology University, Dunki, Patuakhali	June 2013	01307/2006-07	MS
6	DEVELOPMENT OF RECOMBINANT LINES SUITABLE FOR TIDAL NON-SALINE SUB-ECOSYSTEM OF BARISAL REGION	Patuakhali Science and Technology University, Dunki, Patuakhali	December 2014	01815/2007-08	MS
7	INFLUENCES OF MINERAL NUTRITION AND FUNGICIDES ON RICE FALSE SMUT DISEASE DEVELOPMENT IN BANGLADESH	Bangladesh Agricultural University, Mymensingh	On going		PhD
8	DEVELOPMENT OF SUBMERGENCE TOLERANT AND BB RESISTANT SUITABLE VARIETY FOR TIDAL NON-SALINE SUB-ECOSYSTEM OF BARISAL REGION	Patuakhali Science and Technology University, Dunki, Patuakhali	On going		PhD

20. Outstanding performance

(i) Invited as resource speaker for different types of training/teaching/radio programme

1. Invited as resource speaker for the training programme on New Agricultural Extension Policy (NAEP) of the members of Upazila Agricultural Extension Co-ordination Committee of 26 upazilas of Barisal, Jhalokhati, Pirojpur and Patuakhali districts.
2. Invited as resource speaker for Extension personnels and Farmers training on Rice Production especially on disease management.
3. Joined as Teaching Assistant for the teaching of under graduate student of Agriculture Faculty, Saga University, Japan from Arril 2004 to March 2009.
4. Regular Radio Programmer of Radio Bangladesh on rice cultivation especially on rice diseases.

(ii) Member of different professional society

1. Life member of Bangladesh Phytopathological Society
2. Life member of Bangladesh Association for the Advancement of Science
3. Life member of Seed Science Society of Bangladesh
4. Life member of Plant Breeding and Genetics Society of Bangladesh
5. Life member of Bangladesh Society of Seed Technology
6. Associate member Bangladesh Botanical Society
7. Member of Krishibid Institution, Bangladesh
8. Member of BRRISA, BRRI, Gazipur
9. Member of Organic Farming Society of Japan
10. Member of Crop science Society of Japan

(iii) Research station management

1. Responsible as Chairman of most of the Management Committee of BRRI Regional Station, Barisal during 1999
2. Responsible as Chairman of most of the Management Committee of BRRI Regional Station, Barisal during 2000
3. Responsible as Chairman of most of the Management Committee of BRRI Regional Station, Barisal during 2001
4. Responsible as Chairman of one of the Management Committee of BRRI Regional Station, Barisal during 2002

(iv) *Others*

1. Regular reviewer of the national/international scientific journal of CR Biology (Elsevier), Canadian Journal of Plant Pathology (Frances and Taylor), BioResearch and Eco-friendly Agriculture Journal
2. Worked as a working scientist in the activities of PETRRA funded different sub-projects in Bangladesh.
3. Joined in UAECC, DEPC and ATC meeting at Barisal region.
4. Conducted survey work on farming systems in the tide prone southern region of Bangladesh
5. Published research achievements in daily Japanese News Paper (in Japanese) and NHK Television, Japan
6. Conducted research as a group with Japanese student on Organic Farming at Saga University, Japan
7. Member BRRRI Technical Evaluation Committee.
8. Member BRRRI Pracolun Jachai Committee

21. Language proficiency:

Language Ability				
	Reading	Writing	Hearing	Speaking
Japanese	Excellent	Excellent	Excellent	Excellent
English	Excellent	Excellent	Excellent	Excellent
Bangla	Excellent	Excellent	Excellent	Excellent
Arabic	Excellent	Excellent	Good	Good
Urdu	Good	Good	Good	Good
