

CURRICULAM VITAE

DR. RAKIBA SHULTANA
Senior Scientific Officer
Agronomy division
Bangladesh rice Research
Institute
Gazipur-1701

PERSONAL DETAILS

Permanent address : House no: 62/1, Vatikashore, Mymensingh
Date of birth : 1 January 1983.
Nationality : Bangladeshi (by birth)
Sex : Female
Marital status : Married
Blood group : O^{+ve}

EDUCATIONAL QUALIFICATION

Name of the examination	Board/ University	Course Duration	Year of completion	Class/ GPA	% marks obtained
PhD	UPM, Malaysia	Eight semesters	2020	First 3.95/4.00	-
MS in Plant pathology	BAU, Mymensingh	Three Semesters	2007	First 3.953/4.00	98.83%
B.Sc. (Hons.)	BAU, Mymensingh	Four years	2004	First	63.29%
H.S.C	Rajshahi	2 years	2000	First	71.2%
S.S.C	Rajshahi	10 years	1998	First	85.2%

Note: BAU = Bangladesh Agricultural University, Mymensingh; UPM= Universiti Putra Malaysia

Title of MS thesis:

Effect of BAU- Biofungicide in controlling leaf spot of wheat.

Title of PhD thesis:

Effect of Salt-tolerant Plant Growth-Promoting Rhizobacteria (PGPR) inoculation on crop growth, biochemical properties and yield of rice.

EXPERIENCES

Bangladesh Rice Research Institute (BRRI) is the leading rice research institute of Bangladesh. I have joined as a scientific officer at agronomy division of BRRI in 12 November 2007 and upgraded as Senior Scientific officer in 22 November 2012. Thirteen years research experience on agronomic crop management, weed management, fertilizer management, soil microbiology etc.

LIST OF PUBLICATIONS

Full paper as Principal Author (03)

2. Md Kamal Uddin, **Rakiba Shultana**, Abdul Shukor Juraimi, Md Mahmudul Hasan & Md Parvez Anwar. Analysing Weed Species Composition and Determining Dominant Species from Weed Survey Data. Basic Calculations in Agriculture. Universiti Putra Malaysia Press. Serdang, 2020.

Conference / Symposium proceedings

Rakiba Shultana, Radziah Othman, Ali Tan Kee Zuan, and Mohd Rafii Yusop. 2018. Growth promoting characteristics of salt-tolerant rhizobacteria isolated from paddy field in northern coastal saline areas of Malaysia. *10th International Symposium on Plant-Soil Interactions at Low pH* 25-28 June 2018. Palm Garden Hotel IOI Resort, Putrajaya, Malaysia (Oral presentation).

Rakiba Shultana, Radziah Othman, Ali Tan Kee Zuan and Mohd Rafii Yusop. Exopolysaccharide producing rhizobacteria reduced the salinity effect on rice plants. 2018. *34th Symposium on Malaysian Society for Microbiology*, 7-10th December 2018. The Gurney Resort Hotel & Residences, Georgetown, Penang, Malaysia (Poster presentation).

Rakiba Shultana, Radziah Othman, Ali Tan Kee Zuan and Mohd Rafii Yusop. 2019. Salt tolerant characters of *Bacillus arryabhattai* in reducing the salinity effect on paddy. *Wageningen soil conference*. 27 - 30 August 2019. Wageningen University, The Netherlands (Poster presentation).

Rakiba Shultana, Ali Tan Kee Zuan, and Mohd Rafii Yusop and Halimi Mohd Saud. 2020. Effect of salt-tolerant plant growth-promoting rhizobacteria (PGPR) inoculation on biochemical properties and yield of rice. *Soils 2020*. 6-8 October, 2020. Holiday Villa Johor Bahru City Centre, Johor (poster presentation)

TRAINING RECEIVED

a) In country:

Organization	Year	Duration		Name of Programme
		Months/weeks	Days	
BRRI, Gazipur	2008		05	Hybrid Rice Development And Seed Production
BRRI, Gazipur	2008	One Month	-	Rice Production Training
Sech Bhaban, Manik Mia Avenue, Dhaka	2009	-	05	Adaptive Nutrition
BARC, Dhaka	2009		03	Use of Fertilizer Recommendation guide-2005
BRRI, Gazipur	2009	-	05	Breeder Seed Production and preservation of Rice
BRRI, Gazipur	2011		12	Technology of Hybrid Rice Cultivation
GTI, Mymensingh	2009	Two Weeks	-	Research Methodology
BARD, Comilla	2012	Four Months	-	Foundation Training Course

BARC, Dhaka	2013	-	02	Agricultural Land Management for improving Soil Fertility and Irrigation Efficiency under AFACI Project
-------------	------	---	----	---

(b) Abroad

Country	Year	Duration		Name of Programme
		Months/weeks	Day	
IRRI, Philippines	2010	-	12	Leadership Course for Asian and African Women for Research and extension in rainfed rice ecosystem

PROFESSIONAL MEMBERSHIP

- i) Bangladesh Rice Research Institute Scientist's Association (BRRISA)
- ii) Bangladesh Society of Agronomy
- iii) Weed Science Society of Bangladesh
- iv) Krishibid Institution of Bangladesh

I hereby declare that all the above statements are correct and complete.

Dr. Rakiba Shultana
